active holidays, for active people

Why we have a residential

- To provide an opportunity for pupils to succeed in activities not covered as part of the school's curriculum
- To foster a sense of personal achievement for all who take part
- To build and develop self esteem

Why we have a residential

- To give pupils the opportunity to experience a different geographical locality to Clapham
- To enable pupils to experience activities that the school does not have the resources to provide
- To experience these activities in a safe and secure environment
- To develop pupils Personal and Social Education by giving them an opportunity to live away from home with their friends
