## 1. Aims

Our school aims to meet its obligations under the Public Sector Equality Duty by having due regard to the need to:

- **Eliminate unlawful discrimination, harassment, victimisation** and any other conduct prohibited by the Equality Act 2010
- **Advance equality of opportunity** between people who share a protected characteristic and people who do not share it
- **Foster good relations** between people who share a protected characteristic and people who do not share it.

Clapham Manor Primary School is an inclusive school where we focus on the well-being and progress of every child and where all members of our community are of equal worth.

We believe that the Equality Act provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It also ensures that we continue to tackle issues of disadvantage and underachievement of different groups.

Our approach to equality is based on the following key principles:

1. All learners are of equal value
2. We recognise and respect difference
3. We foster positive attitudes and relationships and a shared sense of cohesion and belonging.
4. We observe good equalities practice in staff recruitment, retention and development.
5. We aim to reduce and remove inequalities and barriers that already exist.
6. We have the highest expectations of all our children.

## 2. Legislation and guidance

This policy meets the requirements under the following legislation:

- [The Equality Act 2010](#), which introduced the public sector equality duty and protects people from discrimination
- [The Equality Act 2010 \(Specific Duties\) Regulations 2011](#), which require schools to publish information to demonstrate how they are complying with the public sector equality duty and to publish equality objectives

This document is also based on Department for Education (DfE) guidance: [The Equality Act 2010 and schools](#).

### 3. Roles and responsibilities

The governing board will:

- Ensure that the equality information and objectives as set out in this statement are published and communicated throughout the school, including to staff, pupils and parents, and that they are reviewed and updated at least once every four years
- Delegate responsibility for monitoring the achievement of the objectives on a daily basis to the Headteacher

The Headteacher will:

- Promote knowledge and understanding of the equality objectives amongst staff and pupils
- Monitor success in achieving the objectives and report back to governors

As designated member of staff for equality Mrs. Lancaster, Deputy Headteacher will:

- Support the Headteacher in promoting knowledge and understanding of the equality objectives amongst staff and pupils
- Support the Headteacher in identifying any staff training needs, and deliver training as necessary

All school staff are expected to have regard to this document and to work to achieve the objectives as set out in section 8.

### 4. Eliminating Discrimination

The information provided here aims to demonstrate that we give careful consideration to equality issues in everything that we do at Clapham Manor Primary School. 'Due regard' ensures that we work towards eliminating discrimination, harassment and victimisation and other conduct that is prohibited by the Equality Act. We are committed to working for equality for all our staff, parents/carers and children to meet our duties under the Equality Act 2010.

We eliminate discrimination by:

- Adoption of the single Equality Scheme
- Our behaviour policy ensures that all children feel safe at school and addresses prejudicial bullying Reporting, responding to and monitoring all racist incidents
- Regularly monitoring the curriculum to ensure that the curriculum meets the needs of our pupils and that it promotes respect for diversity and challenges negative stereotyping
- Teaching is of the highest quality to ensure children reach their potential and all pupils are given equal entitlement to success
- Tracking pupil progress to ensure that all children make rapid progress, and intervening when necessary
- Ensuring that all pupils have the opportunity to access extra-curricular provision
- Listening to and monitoring views and experiences of pupils and adults to evaluate the effectiveness of our policies and procedures.

#### Information on pupils by protected characteristics

The Equality Act 2010 protects people from discrimination on the basis of protected characteristics.

- Age
- Disability
- Gender reassignment
- Marriage and civil partnership
- Pregnancy and maternity
- Race
- Religion or belief
- Sex
- Sexual orientation

Every person has several of the protected characteristics, so the Act protects everyone against unfair treatment.

In order to ensure that all pupils are protected from discrimination, the school collects information on protected characteristics.

### **Information on other groups of pupils**

In addition to pupils with protected characteristics, we gather further information on the following groups of pupils:

- Pupils eligible for Free School Meals (FSM)
- Pupils with Special Educational Needs (SEN)
- Disadvantaged groups
- Pupils with English as an Additional Language (EAL)
- Young carers
- Looked after children
- Other vulnerable groups

Through rigorous tracking and monitoring of individuals and of all the groups of children, including progress and attainment, and by providing equal opportunities to access the curriculum and activities, we aim to ensure that any gap in attainment for pupils within any of the above different groups is removed, or at least remains less than the gap nationally.

## **5. Advancing Equality of Opportunity**

As set out in the DfE guidance on the Equality Act, the school aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people which are connected to a particular characteristic they have (e.g. pupils with disabilities, or gay pupils who are being subjected to homophobic bullying)
- Advancing equality of opportunity between people who share a protected characteristic and people who do not share it
  - Using the information we gather to identify underachieving groups or individuals and plan targeted intervention
  - Ensuring participation of parents/carers and pupils in school development
  - Listening to parents/carers
  - Listening to pupils at all times
- Fostering good relations across all characteristics - between people who share a protected characteristic and people who do not share it

- Ensuring that Clapham Manor Primary School is seen as a community school within our local community
- Ensuring that equality and diversity are embedded in the curriculum and in collective worship.
- Taking steps to meet the particular needs of people who have a particular characteristic (e.g. enabling Muslim pupils to pray at prescribed times)
- Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of school societies)
- Analyse attainment data each academic year to see how pupils with different characteristics are performing and determine strengths and areas for improvement, implement actions in response and publish this information
- Make evidence available identifying improvements for specific groups (e.g. declines in incidents of homophobic or transphobic bullying)

## 6. Fostering Good Relations

The school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in RE, citizenship and personal, social, health and economic (PSHE) education, but also activities in other curriculum areas. For example, as part of teaching and learning in English/reading, pupils will be introduced to literature from a range of cultures
- Holding assemblies dealing with relevant issues. Pupils will be encouraged to take a lead in such assemblies and we will also invite external speakers to contribute
- Working with our local community. This includes inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community
- Encouraging and implementing initiatives to deal with tensions between different groups of pupils within the school. For example, our school council has representatives from different year groups and is formed of pupils from a range of backgrounds. All pupils are encouraged to participate in the school's activities, such as sports clubs. We also work with parents to promote knowledge and understanding of different cultures
- We have developed links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop our approach

## 7. Considering Equality in Decision Making

The school ensures it has due regard to equality considerations whenever significant decisions are made. The school always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the school considers whether the trip:

- Cuts across any religious holidays
- Is accessible to pupils with disabilities
- Has equivalent facilities for boys and girls

## 8. Equality Objectives at Clapham Manor Primary School and Nursery

At Clapham Manor Primary School, we are committed to ensuring equality of education and opportunity for all pupils, staff, parents and carers, irrespective of race, gender, disability, belief, religion or socio-economic background. In order to further support pupils, raise standards and ensure inclusive teaching, we have set the following two objectives: -

- **Objective 1:** Improve achievement of Black Caribbean pupils by tackling the academic attainment gap and disproportionately high exclusion rates that Black Caribbean pupils at Clapham Manor Primary School and Nursery face.

**Why:** Improve outcomes at all key stages, to raise aspirations and to reduce exclusions for Black Caribbean pupils who underachieve in relation to their peers nationally and locally.

**How:** Participate in Raising the Game which is a 2-year Local Authority project linked to this objective.

- **Objective 2:** Improve levels of parental engagement in learning and school life.

**Why:** Ensure equity and fairness in access and engagement across all activities.

**How:** Review gaps in engagement from all groups in school life by identifying and addressing issues arisen from parental engagement analysis i.e. parent/carers consultation attendance.

## 9. Monitoring Arrangements

The designated member of staff for equality will update the equality information we publish, described in sections 4-7 above, at least every year.

This document will be reviewed by the Headteacher and approved by Governing Board at least every four years.
