Enrichment - clubs

Year 4 -6 only:

Choir club:

Day: Thursdays

Time: 3:45 - 4:30

Where: Music room

Who: Years 4, 5 & 6

Cost: £25 / term
(10 sessions / term)

We are excited to announce that Choir Club will be run by our new Music teacher, Mr George! This club can admit a total of 45 pupils and sessions will be supported by a teaching assistant.

Once your child is registered with the club, they will automatically be enrolled into the club for the remainder of the academic year. There will be no need to sign your child up again each term. However, positions will only be secured by making a payment of £25 **ahead** of each term, **totalling £75 over the year**. If payments are not made, we will presume your child no longer wishes to attend Choir Club and available spaces will be communicated to other parents / carers who may want their child to join.

If your child would like to sign up for the year, we highly recommend they sign up in Autumn term as spaces across other terms may not be available. A payment plan for a child signing up to a whole year will look like the following:

- **Summer term 2025:** £25 for signing up to Autumn 25 Choir Club
- **Autumn term 2025:** £25 for signing up to Spring 26 Choir Club
- **Spring term 2026:** £25 for signing up to Summer 26 Choir Club

You are also able to pay the £75 in one go and register your children for the year. Refunds will not be possible.

Parents support/volunteers

- We value the offer of support from parents in any way.
- Parents have supported in hearing children read, during art activities, school trips, whole school events, library etc
- All parent volunteers in school need to be DBS (Disclosure Barring Service) checked to ensure they are safe to work with children and will receive safeguarding training before they start volunteering in school.
- We ask that parents offer to support the school but not their child.
- Parent helpers will be deployed to support where the need is. Parents may not always be deployed to support in the same class as their child.
- If you would like to support the school by purchasing equipment and resources, you are able to access year group wish lists and make orders directly to class teacher. Please note, this is not an expectation of parents / carers to do.

Assessments

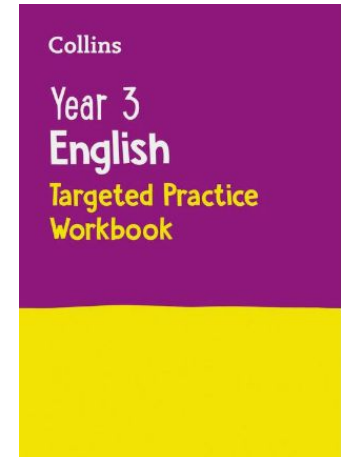

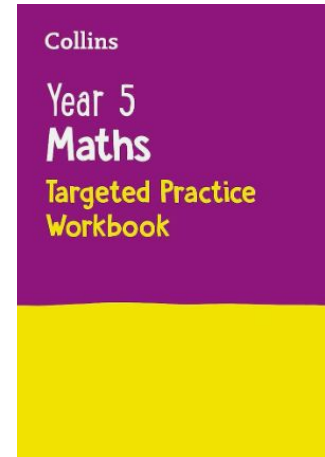

- Across Years 2 - 6, all children are assessed in Maths, Reading & Writing at the end of the Autumn, Spring and Summer terms, where Year 1 are assessed in Summer term.
- Assessments help us track progress, identify trends and analyse gaps in learning so we can adjust planning to best support children's needs.
- Assessments only provide a part of your child's learning journey. When we report to parents, we provide our 'teacher judgement'; taking into account all the evidence demonstrated on a daily basis in lessons as well.

Statutory Assessments

- Year 6 SATs take place the week beginning Monday 11th May 2026.
- The children will take tests in Reading, Spelling, Grammar and Maths (reasoning and arithmetic).
- We will be doing lots of preparation for this!
- We will be holding a parents' meeting about this nearer to the time to give you more information. Date TBC.

Home Learning

- Home Learning will be set weekly every Friday and collected in the following Thursday.
- We will continue to use Collins Targeted Practice Workbooks for English and Maths.
- Daily Fluency Practice must take place across TTRS (KS2), Reading and Spelling.
