Year 4 Trip to The Lion King

Mr Mather organised an amazing trip to the West End to watch Lion King the musical. This trip was linked to the children's unit of work on musical theatre and to help them with their own performance of the lion king, which will take place later this term. The performance was fantastic and inspired our Year 4s to become better performers themselves. A huge thank you goes to Mr Mather for organising the trip and to the year 4s who represented the school so well with excellent manners and behaviour.

Please remember that the Headteacher is not permitted to authorise holidays. We expect all our children to return to school on Tuesday 7th June ready to learn and access all the fun opportunities available in the summer term.

Please ensure your child has a coat in school. All children will be going out to play and lunch even if its raining, unless it is heavy rain or unsafe. All children need a run around and fresh air to be able to concentrate and focus in lessons.

Year 1& 2 Royal Philharmonic Orchestra Trip

This term years 1 and 2 have had the chance to participate in a really exciting musical trip. After two years it has been so special to, once again, be able to make the most of some of the amazing cultural opportunities that are on offer on our doorstep!

Great Success!

The Year 4 Residential trip to the Thames Mariners Outdoor Activity Centre this week was a great success. All of the children (and staff!) made the most of the variety of opportunities on offer, really demonstrating the Clapham Manor value of resilience - well done to everyone who participated in this amazing trip!

Star Class

W/C 16th May was Holiday with 98.9% and

W/C 9th May was joint Malala and Mandela with 99.9%.

Congratulations to Holiday , Malala and Mandela

Well done to everyone who is getting to school on time every day, every minute counts!

We look forward to seeing who will be our star class next week!

Our Learning

Year 5 have been very busy this term learning about bridges in Design & Technology. As part of their learning they were given the tricky task of making their own truss bridge using only spaghetti and masking tape to create different tessellations and patterns strong enough to bear weight. We're sure you will all agree that the results were really impressive— not only did they look great but most of them could hold the weight of a book!

Wilberforce were this week's house winners with an amazing 297 points!

Well done Wilberforce.

We look forward to seeing who will be our house winners next week

Sporting Success

We have been very lucky to be part of the ACE cricket Programme, working with a Surrey Cricket Coach who has taught our Year 5s this half term.

Year 6 also participated in this fantastic opportunity in the Autumn term and the ACE coaches were keen to come back and provide more training and see how the children's skills have improved. Our coach has been helping us with our batting, fielding and bowling technique, this has resulted in some heated games giving everyone the chance to demonstrate the Clapham Manor value of team spirit perfectly!
