Growing Brighter Futures

Ofsted has finally knocked on our doors!

We would like to thank all parents and carers who took the time to fill out the questionnaires and speak to the inspectors in the playground.

Ofsted are still finalising their report after a two full day inspection of our school. We will share the full report with parents as soon as it is made available however, this can take up to twelve weeks.

Thank you again for all your support for Clapham Manor.

House Captains Election

- ▶ This term we have elected two House Captain's for each of our school houses, Our congratulations go to:
