Head of School's Comment

We are very proud of our Year 6 children who tried their best in last week's Year 6 SATs. They are still working really hard and have lots of exciting learning and experiences planned for the rest of their time at Clapham Manor.

We hope you are enjoying the warmer weather and taking advantage of the PTA Friday lolly and popcorn sale after school in the KS1 and KS2 playground. All money raised will go to supporting the end of year arrangements for Year 6.

Don't forget to write your child's name in their jumpers or coats especially as the weather gets warmer, and they are more likely to take them off!

Take a moment to read on to hear about all of the wonderful enrichment opportunities our children have experienced over the last couple of weeks.

Have a lovely weekend

Ms Lancaster

Year 5 Cricket Trip

A group of promising Year 5 cricket stars were selected to take part in the Lambeth Cricket Bash organised by Surrey Cricket Club and ACE charity. They were able to visit The Oval and stand on the ground that many famous cricketers have. They had a tour of the venue and then played a match on the pitch. Unfortunately, due to severe weather, they were unable to play all their games. However, they did have time to train in the Surrey Cricket Club indoor nets, this allowed them to continue developing their bowling and bating skills. Despite the weather, they all came back with a smile!

Reception Spinney Trip

On Tuesday Reception had the best time visiting the Spinney on Clapham Common. All of the children loved the outdoor space and getting very muddy! Every single child was engaged, happy and busy. The walk to and from the Spinney was also very exciting as we saw a digger moving soil on the common. Please have a look at our wonderful pictures. Well done to all the Reception children, you were amazing.

Year 5 Ragged Museum Trip

This week, Year 5 transported themselves back to the Victorian times with a trip to the Ragged School Museum in Mile End. They took part in a very strict Victorian lesson, complete with chalk

boards and a dunce hat! They also learnt about the history of the ragged school, and enjoyed learning about the features of the Victorian building. Thank you to all the parents and carers who supported this trip.

Year 1 London Symphony Orchestra Trip

Yesterday, our year 1 students travelled into central London to witness London's best and oldest professional orchestra, the 'London Symphony Orchestra', play a really exciting concert in the Barbican Centre. Our students had the opportunity to watch and learn how an orchestra works and all of the instruments involved. They also got the chance to sing along with the orchestra in a fantastic piece written about animals taking over the planet and trying to escape in a rocket ship; "It's all gone silly bonkers!" (A section of a song we sang with the LSO). I would like to say a huge thank you to all the students for bringing their best behaviour, excitement and enthusiasm to this trip and, to the fabulous parent helpers plus our two lovely Year 1 teachers, Ms Ali and Miss Sharkey. Who knows, maybe one of our talented pupils will be on that stage performing for school trips like ours one day! Thank you all.

Edible Garden Clear up session

Last Sunday the PTA organised a clear up session in the Edible Garden to clear out all the weeds and make space for the children to plant out their seedlings as part of their whole school growing project that will culminate with the children selling their produce at Venn Street market in July.

A big thank you to all the parent/ carers and children who came along to lend a hand – it was a beautiful warm sunny day and was a wonderful group effort – the garden and planters we worked on looked great by the end!

Keep an eye out for future weeding/ garden care dates coming up in June.

Popcorn Sale last week raised a total of £143.

A huge thank you to the parent volunteers, Year 6 staff and children who made the event happen! and of course, those who made the purchased the Popcorn!

This was the first of the Popcorn and Ice Lolly Sales, scheduled for the Summer Term. All funds raised will go to purchasing leaving gifts for the current Year 6 children.

Don't miss the next Popcorn Sale - Friday 26th May 3.30pm until 4pm - Junior Playground! Come and purchase a bag of popcorn after school, all funds raised will go towards the Year 6 Leavers Gifts. Every Friday after Half Term, there will be either an Ice Lolly or Popcorn sale at the same time, in the same place until July 14th, 2023. [WE STILL NEED VOLUNTEERS TO SUPPORT THESE SALES! Click Here](#)

[to sign up](#); alternatively contact either, the Year 6 Teachers; PTA PTA@clapham-manor.co.uk; or the school office.

Competition Time!

We are keen to incorporate children's artwork on/in our Summer Fair Brochure, which will be available on the day.

As you are aware, all proceeds raised at the Summer Fair will be ring fenced around the renovations for both the Infant and Junior Playgrounds; along with the £6,500 already raised in 2021/22.

We are asking children to draw their dream playground. All entries must be handed into the School Office by Friday 9th June.

Entries should be no bigger than A4 size. Your name and class should be clearly marked on the back.

Please note that there will not be time in class for these entries; they will need to be done in your own time.

50 House Tokens will be given to the children whose artwork is chosen for the Summer Fair Brochure.

Infinite variety at the ultimate Holiday Club!

Unforgettable Holiday Club memories with JAG coming to 1Life Leisure Centres this May half-term!

Longer days, brighter skies & warmer weather – these are all things that will make the May half-term special, as it's an opportunity for children to get outside more and keep active! Not only can outdoor play provide your child with the opportunity to learn about the world around them through exploration and discovery, but the exposure to natural environments can have a calming and restorative effect on children's mental health and well-being, reducing stress, anxiety, and other negative emotions! Let JAG invigorate your child's passion for outdoor play, sport, and activity by securing your May half-term spots now: <https://www.junioradventuresgroup.co.uk/holiday-clubs/>

Whichever Holiday Club your child attends, they'll find their activities super fun. Crucially, those same activities will also develop the broad range of skills and knowledge that your child/ren will need for a world yet to be imagined – which is why, whatever the activity, JAG works hard to create an exciting role for every child. With a brilliant mix of sports, energising activities that get children moving, creative sessions that bring out their inner inventor and much more, JAG helps children build social, emotional and interpersonal skills in a safe and exciting environment. Learn how JAG continues to support your child's development beyond the school curriculum:

- Providing something for every child, with a wide range of fun-filled activities
- Confidence-building by learning new skills and trying new challenges under expert guidance
- Enhanced wellbeing through a focus on mindfulness, kindness and being active
- Expertly trained professionals delivering activities in a safe, supportive, and fun environment
