- The DfE sets expectations of all schools about what constitutes good attendance for children.
- Lost learning for children
- Setting your child up for a successful day

Summer upgrades

School Day – arrival times

- School gates will open from 8:40am and will close promptly at 8:50am.
- At 8:50am, the bell will ring, children will line up and make their way to the classroom. Registration will be taken at promptly by 8:55am.
- It is vital that the school site is secured quickly at the start of the day and we therefore kindly ask that parents drop off and vacate the playground promptly to enable this to happen.
- Adults should only enter the school building via the school office.
- Maintaining site safety

What happens in the event of reduced attendance?

- ‘Working Together to Improve School Attendance’ is now a statutory DfE publication.
- Parents / carers will be written to in the event of repeated lateness.
- For any absence requests, parents / carers must complete the required absence request form (on school website or in the school office).
- As per school policy, holidays taken during term time will not be authorised and as per DfE guidance may lead to prosecution by the local authority.
- We ask that parents do not put the school in this position unless there are significant extenuating circumstances.

Uniform Expectations

- We expect our children to take pride in our school and themselves and uniform standards are important at CMPS.
- Details of the School Uniform Policy can be found on the school website ([click here](#)).
- We will be enforcing the policy robustly.
- The PTA has a collection of 'nearly new uniform' to ensure uniform is accessible to all. This is available at different events across the year.
- As parents/carers, your role is to ensure that your child attends school in full school uniform.
- Please remember: no smart watches, no trainers, no jewellery (except for small stud earrings).

THE
ZONES OF
REGULATION®

Behaviour expectations

- However, this should not be confused with being too lenient!
- At CMPS, we have a clear ‘behaviour and consequences’ guidance document used by staff and leaders.
- All children have a **right to learn**.
- There will be a renewed focus for 26/27 on having a zero tolerance approach for:
 - Physical behaviours (i.e. fighting)
 - Prejudice behaviours (i.e. racism)
 - Disruption to learning
- The above will not be accepted and where a teachers instructions are not followed, a child exhibiting such behaviors may be removed from the classroom so others can continue to learn.
- When this is extreme or repeated, it could result in a suspension as a last resort.

Physical Education

- One of our PE sessions is provided by a specialist PE educational provider called Moving Matters (<https://moving-matters.org>) and the other is provided by the class teacher.
 - Each PE session will be around 1 hour long.
 - Our Moving Matters PE day is Tuesday.
 - Our Class Teacher PE day is:
 - Wednesday (6 Mandela)
 - Friday (6 Malala)
- This day may change each half term - we will keep you informed.
- Please ensure children are wearing the correct school PE uniform on both these days. On all other days they must wear their school uniform.

Educational Visits

- Educational Visits are carefully mapped against the curriculum to ensure children receive enriching experiences that will enhance their learning and support personal development.
- In Year 6, we are hoping to book the following educational experiences over the year. Information about these will be provided to parents once bookings are confirmed. Parent confirmations and payments must be made via Arbor.
 - Autumn: PGL & Buddhist Temple
 - Spring: Sky News
 - Summer: Natural History Museum & Chessington World of Adventures (a reward trip)

Universal Consent

At Clapham Manor, we endeavor to streamline processes to make it easier and more effective for our parents. Therefore, we ask for consent for school trips using a single consent for the whole academic year in line with recommended best practice. This saves parents having to return permission every time there is an educational trip.

The trips and activities covered by this consent include:

- all visits and trips (excluding residential trips) which take place during the school day.
- off-site sporting fixtures during the school day.

The school will still send you information about each visit/trip or activity before it takes place. You can, if you wish, inform the school that you do not want your child to take part in a particular school visit or trip.

How to consent for Universal Trip Consent:

We would kindly ask that all parents complete the universal consent form. You can do this by logging into your arbor account and at the top there will be a prompt for you to consent which will read: “*Universal Trip Consent 2026/27*.”

Parents support/volunteers

- We value the offer of support from parents in any way.
- Parents have supported in hearing children read, during art activities, school trips, whole school events, library etc
- All parent volunteers in school need to be DBS (Disclosure Barring Service) checked to ensure they are safe to work with children and will receive safeguarding training before they start volunteering in school.
- We ask that parents offer to support the school but not their child.
- If you are interested in volunteering on a regular basis, [please complete this form](#), and a member of LMT will be in contact in due course.
- If you would like to support the school by purchasing equipment and resources, you are able to access the school Amazon wish lists and make orders directly to school. Please note, this is not an expectation of parents / carers to do.

Assessments

- Across Years 2 - 6, all children are assessed in Maths, Reading & Writing at the end of the Autumn, Spring and Summer terms, where Year 1 are assessed in Summer term.
- Assessments help us track progress, identify trends and analyse gaps in learning so we can adjust planning to best support children's needs.
- Assessments only provide a part of your child's learning journey. When we report to parents, we provide our 'teacher judgement'; taking into account all the evidence demonstrated on a daily basis in lessons as well.

Statutory Assessments

- Year 6 SATs take place the week beginning Monday 10th May 2027.
- The children will take tests in Reading, Spelling, Grammar and Maths (reasoning and arithmetic).
- We will be doing lots of preparation for this!
- We will be holding a parents' meeting about this nearer to the time to give you more information (09/02/27, 3:45 - 4:30pm)

- Home Learning will be set weekly every Friday and collected in the following Thursday.
- We will continue to use Collins Targeted Practice Workbooks for English and Maths.
